

www.sans.org/us/products/highend/pdfs/1084.pdf. New Delhi: Asserting that the BJP will emerge as the single largest party and is in the race to form the government in Karnataka, party leader K Laxman said the confidence motion will pass in the assembly by a big majority. "I think Modi has a very strong grip on Karnataka. We will win it. Though we have to fight the BJP everywhere, we will win Karnataka and Uttarakhand. There is a confidence motion. People will demand a say in who will form the government. Our party will emerge as single largest," he said. Laxman said the BJP is free from any communal forces. The resignation of 17 rebel MLAs puts the ruling coalition in the minority in the 63-member assembly, where the party's strength is 37. The rebel lawmakers -- 15 from the Congress and two from JD(S) -- have quit after opposition parties demanded chief minister HD Kumaraswamy's resignation over allegations of corruption and attempt to destabilise the government. Kumaraswamy, who has been facing pressure to quit over the rebel MLAs' rebellion, accused the Congress of "betraying" the people of the state by creating an atmosphere of fear. He also criticised the state Congress chief Dinesh Gundu Rao for making "shrill" allegations against him and the state government. Gundu Rao on Tuesday met Congress national secretary Rahul Gandhi to hand over a six-point memorandum on floor test. The rebel MLAs had met party leader Janardhan Dwivedi with the demand for a trust vote. Dwivedi had said the BJP and JD(S) will retain their alliance. He had also requested the Congress and other parties to maintain law and order. The Congress had expelled three MLAs earlier this month to protest the rebellion by 17 MLAs, after the JD(S) had expelled one of its legislators from the party to retain its support. The ruling coalition of the Congress and JD(S) has 110 legislators in the state assembly. The Congress has 107 legislators, while JD(S) has 57 legislators. One Independent MLA is also with the opposition. Who is your favorite character in the Teen Titans Go! TV series? What is your favorite Teen Titans Go! theme song? What is your favorite Teen

Driver Name: USB_Host\System\UhciDxe Driver Version: 10.0.0.5064 Built: 7/10/2013 Time built: 11:28:26.Q: Accessing original variable to pass to ajax in rails 4 I'm trying to understand how I should access the variable for jquery-ui dialog so I can pass it to an ajax function. I've read this: Rails 4: Accessing the original variable in an ajax function call How do I access the original variable in an ajax function call in Rails 4.3? I'm trying to use: render :update do |page| page.replace_html :container, :content => page.page.append_js page.append_css inside the update.js.erb like this: \$("#dialog").dialog({ autoOpen: true, height: 200, width: 300, modal: true, title: "Test" }); But I keep getting: ActionView::Template::Error (undefined method `append_js' for nil:NilClass) Rails.root: C:/Users/work/Desktop/brasscoach/public Application Trace | Framework Trace | Full Trace app/controllers/admin/admin_pages_controller.rb:62:in `send_to_client_with_errors' app/ 1cb139a0ed
