I: "Were there any changes that effect the feasibility and difficulty of the project? Only small changes? Q. 3. The assignment for the project that must be completed by the end of the class is. I'm an average English language learner. Will write that in 10 minutes and will be ready to share. Please help me. Thank you. A: Yes. I will write that in 10

minutes and will be ready to share. Please help me. No. The things you have to do are: Read the assignment. Read the book Read the videos on the website (there is a transcript with all the videos) Make an analysis on the content Use the generated report to visualize the contents of the data. I will write that in 10 minutes and will be ready to share. Please help me. No. The things you have to

do are: Read the assignment. Yes. Read the book Yes. Read the videos on the website (there is a transcript with all the videos) Yes. Make an analysis on the content Yes. Use the generated report to visualize the contents of the data. Yes. Finally, the things you have to do are: Write the solution of the exercises you gave in your question Write the report that is assigned to you, using the information you

have studied in this class. I will write that in 10 minutes and will be ready to share. Yes. Now that the data is on the drive, you have an idea of what you have to do. Good luck.

Articles Emilio Garcia Valdes 'La Pagana' (The Virgin) (2016) At the Jóvenes Creadores Biennial in 2014, Colombian artist Emilio Garcia Valdes was nominated for a MacArthur 'genius' grant. His career has blazed ahead since

then, with solo exhibitions at the High Museum of Art in Atlanta in 2016, Documenta 12 in Germany in 2017 and the Museum of Contemporary Art in Chicago this year. In a new video for Tate's video platform Artspace, Garcia Valdes sets out his programme for the Museum. A classic myth is challenged and deconstructed in the form
